

# SimpliSafe™

## Home Security. Done Right.

### Products & Benefits

#### Whole Home Comprehensive Protection

Real protection with an arsenal of sensors including entry, motion, glassbreak, and HD camera protection.

#### 24/7 Professional Alarm Monitoring—No Contracts

No long-term contracts. Monthly monitoring at half the price of traditional providers.

#### Easy Setup

Easy DIY setup that takes minutes. Anyone can do it.

#### Hazard Protection

Detect common household hazards like flood, freeze, fire, smoke, carbon monoxide.

#### Privacy Protection

Intuitive privacy controls paired with private data protection. Our products have high encryption standards that protect the user's information.

SimpliSafe is protection for every window, room and door, all monitored 24/7 by professionals ready to dispatch police.

SimpliSafe protects against intruders, fires, water damage, medical emergencies & more. SimpliSafe got rid of all the hassles of home security. There are no hidden fees, no middlemen and absolutely no long term contracts.
